NUMBER:
GKFPOR2402

DATE:
29FEB2024

HYUNDAI
GENESIS

KIA

MODEL YEAR:
EV9

MODEL CODE:
MV

SUBJECT:

**EV9 12-volt Battery Drainage In
“Neutral” gear**

COMMENTS:

IMPORTANT HANDLING NOTICE

Prior to turning the power off, please **press the “Park” button** on the side of the gear shift handle. Vehicles powered off and left in “neutral” are causing battery drainage.

To turn the vehicle power OFF, press the POWER button. To use the POWER button, you must have the Smart Key fob on your person.

P: Park - Press to place in Park **C**. To move out of Park, rotate stalk D to R, D or N.
